Katadyn PowerSurvivor 80E

One of the most efficient electric desalinators

Simplicity - The 80E is remarkable for its simplicity. As a result you can perform periodic maintenance with a few common tools and easy to follow instructions.

Compactness - Relative to its output, the 80E is extraordinarily compact. For those with fewer space constraints, the 80E is offered in an attractive vibration-dampening enclosed variation.

Efficiency - With the patented Energy Recovery System, the 80E produces volumes of water at a fraction of the energy used by conventional watermakers.

Durability - The 80E uses stainless steel for pump housings. As with all of our models, they are covered by the best warranty in the business: 3 years on all components.

Special - The PowerSurvivor-80E is available in two variations: Modular and Enclosed.

Technology	Reverse Osmosis
Output (+/- 15%)	3 gal/h 12.9 l/h
Salt rejection (avarage)	98.4% (min. 96%)

Katadyn PowerSurvivor 80E/12V (modular)

Power requirements	12-volts DC/8 amps	24-volts DC/5 amps
Weight	(12V) 34 lbs/15.4 kg	(24V) 49 lbs./22.2 kg
Dimensions	6 x 16 x 14 "/ 15.2 x 40.64 x 35.6 cm 9.3 x 20.8 x 17 "/ 23.6 x 52.8 x 43.2 cm	
Article number:	8013441	

Katadyn PowerSurvivor 80E/24V (modular)

Power requirements	24-volts DC/5 amps
Weight	34 lbs./ 15.4 kg
Dimensions	6 x 16 x 14 "/ 15.2 x 40.6 x 35.6 cm
Article number:	8013442
