## **Isotherm CRUISE 200 INOX Stainless Steel - Extra large CRUISE fridge**

The Isotherm Cruise 200 INOX Stainless Steel is a stylish under counter fridge-freezer in stainless steel design that has been developed to offer spacious on board storage for fresh and frozen foods. It is designed for easy installation under the work surface. The CR 200 is divided into a 150 liters (5.2 cubic feet) volume fridge section and a 50 liters (1.8 cubic feet) volume freezer section for a total storage of 7 cubic feet.

The Cruise 200 Marine Refrigerator features integrated evaporators for a clean, uncluttered look. With cradles and adjustable holders on the doors, jars and bottles are secure and upright. Cold cuts and vegetable bins make the Cruise 200 perfect for organizing supplies.

### **Your Advantages:**

- Volume: 200 liters (fridge: 150 liters, freezer: 50 liters)
- Silent, high efficient, fan cooled 12/24V Danfoss / Secop compressor
- Mounting frames for a complete flush integration
- Exclusive, complete stainless steel design (doors and handles)
- Two door fridge-freezer solution
- Easy installation under work surface
- Available also with Classic doors
