Isotherm CRUISE 85 CLEAN TOUCH Stainless Steel Refrigerator/Freezer

The Isotherm Cruise 85 Clean Touch Stainless Steel is the latest development in the Cruise Elegance line. The new Isotherm Clean Touch stainless steel is specially treated to remain clean to the touch and resist the rigors of the marine environment.

The Clean Touch has excellent scratch and abrasion resistance as well as resistance to stains.

As the premier marine refrigeration brand, the Isotherm Clean Touch provides excellent resistance to salt spray, sun, heat, UV, and condensation in the marine environment.

Like the original Elegance doors, the new Isotherm Clean Touch door is thicker than traditional doors which results in lower power consumption, greater energy efficiency, and superior performance. The wider, more ergonomic, center handle and door design allow for easy swing change from right to left swing

Your Advantages:

- Built-in, silent, high efficient, fan cooled 12/24V Danfoss BD35F compressor
- Easy fit installation solutions
- Extra thick door's insulation for low power consumption
- Center Door Handle
- Easy Left or Right Swing Change

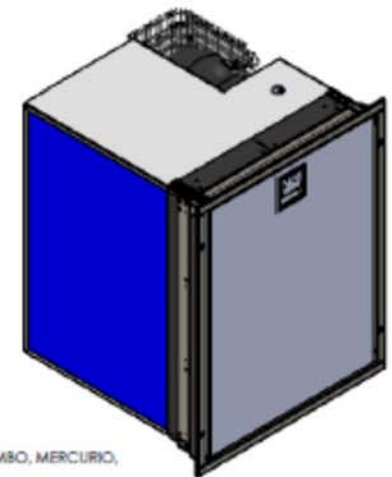

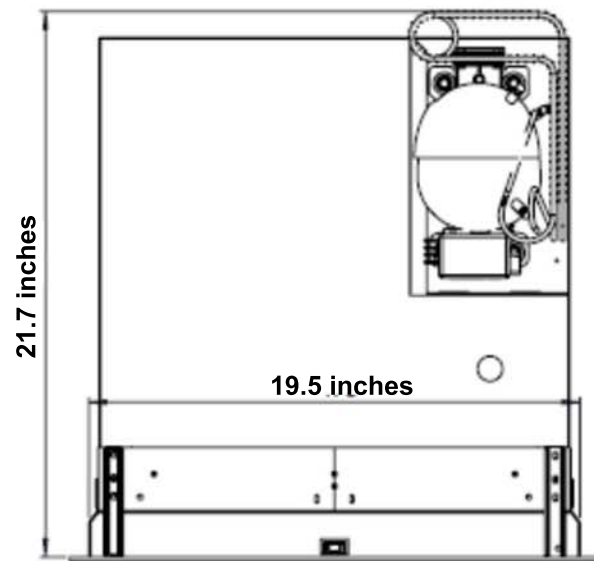

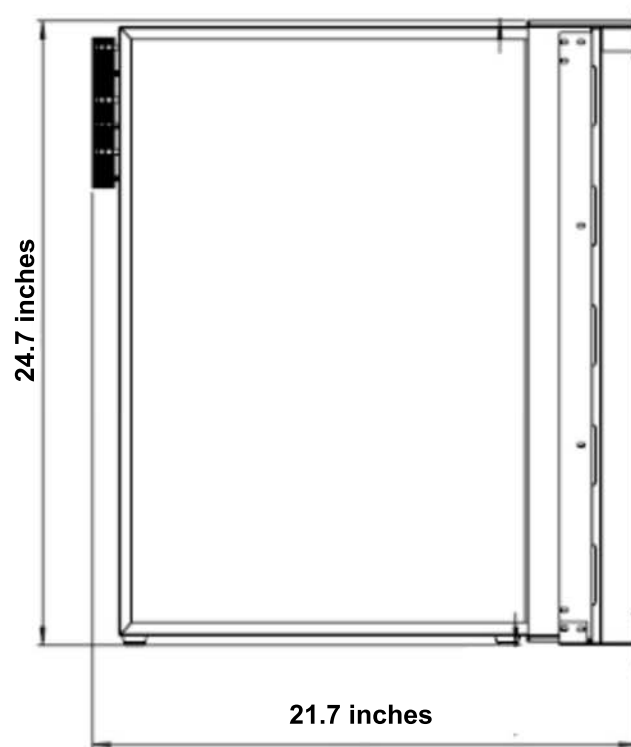

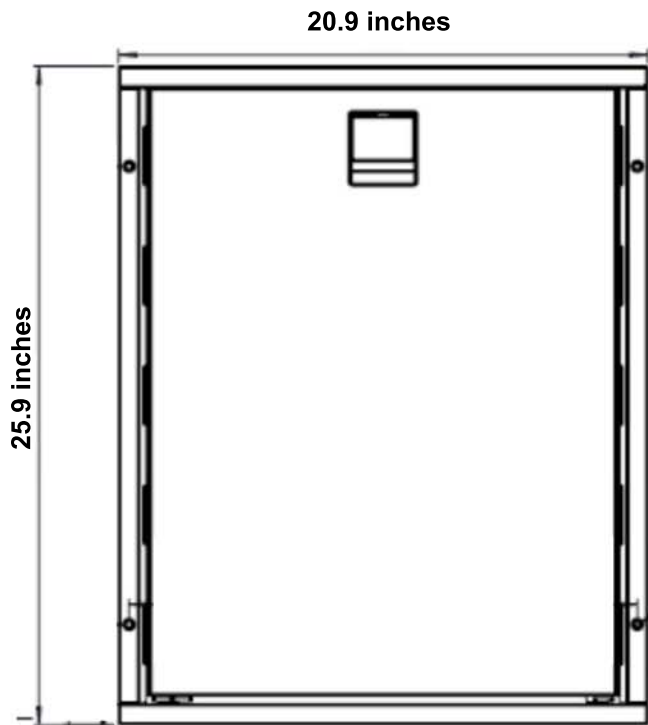

Available Models:

- C085RNGIT11111AA - Cruise 85 Clean Touch Stainless Steel - 12/24 VDC Only, 4 Sided Stainless Steel Flange
- C085RNGIT71113AA - Cruise 85 Clean Touch Stainless Steel - 110/220 VAC & 12/24 VDC, 4 Sided Stainless Steel Flange

Technical Details:

- Volume: 85 liters (3 cuft)
- Dimensions: 24.7H x 19.5W x 21.7D
- Power Consumption: 368W/24hr
- Weight: 53 Lbs

TUTTI I MATERIALI E COMPONENTI NON DEVONO CONTENERE PIOMBO, MERCURIO, CADMIO, CROMO ESAVALENTE, BIFENILI POLIBROMURATI (PBB) O ETER DI DIFENILE POLIBROMURATO (PBDE).
