## Custom Panel Drawer Units

Indel Webasto Marine's products possess a high degree of customization, allowing installations fully integrated with the on board design. A perfect integration with the on board design means harmony and elegance with the furniture present inside the boat. For this purpose IWM has introduced the Drawer 49, 55, 65 and 160 with a door ready to be customized with the client's door front.

Three brackets are included with each door which are easily mounted on the back of your custom panel. Corresponding anchor points make installing your custom panel easy, repeatable, and fast.

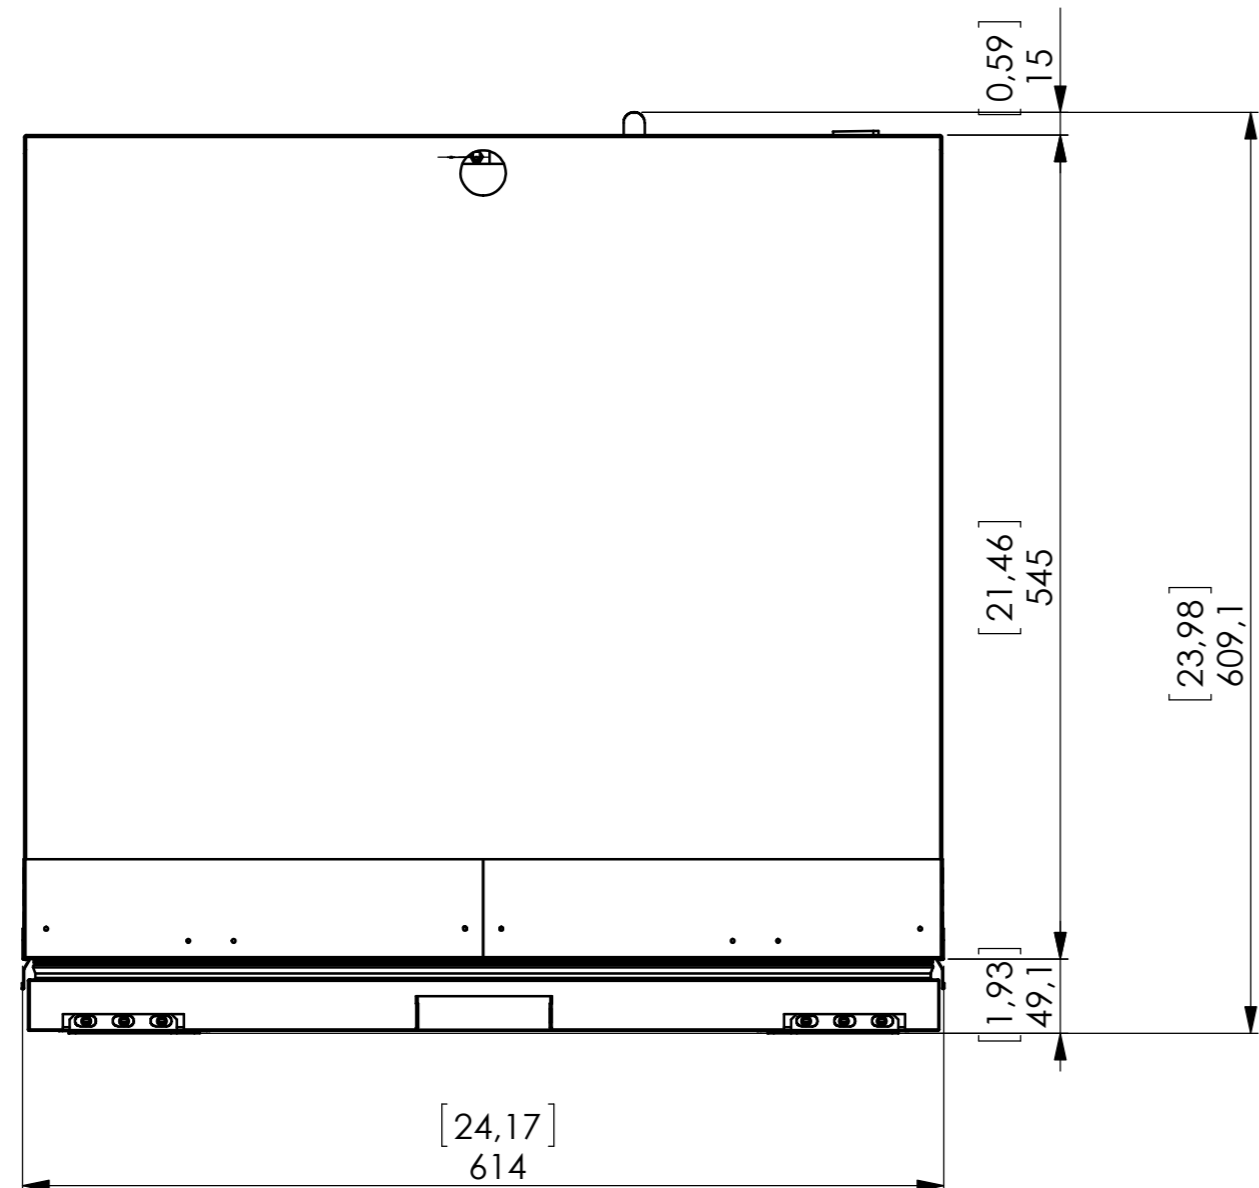

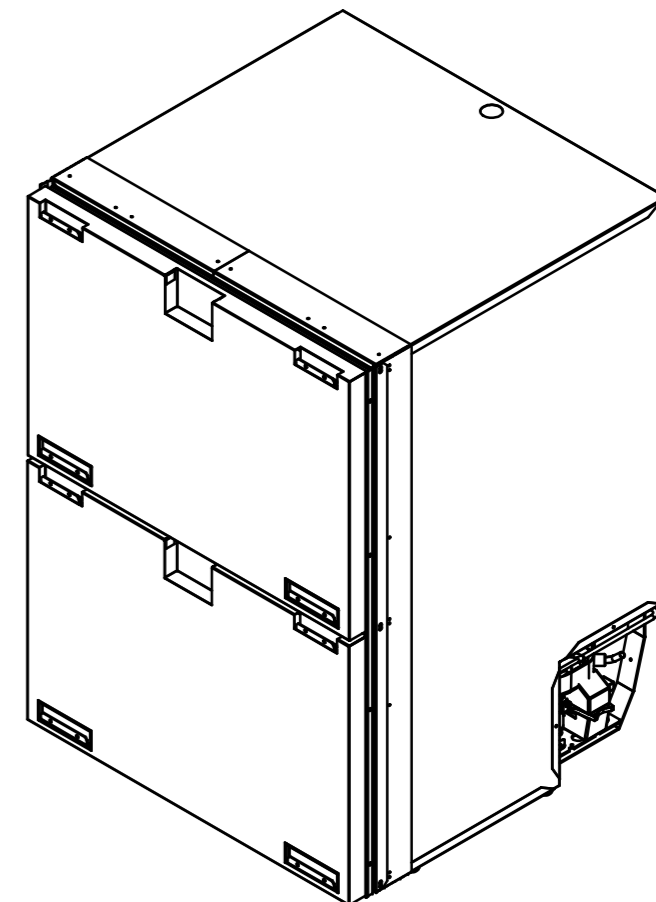

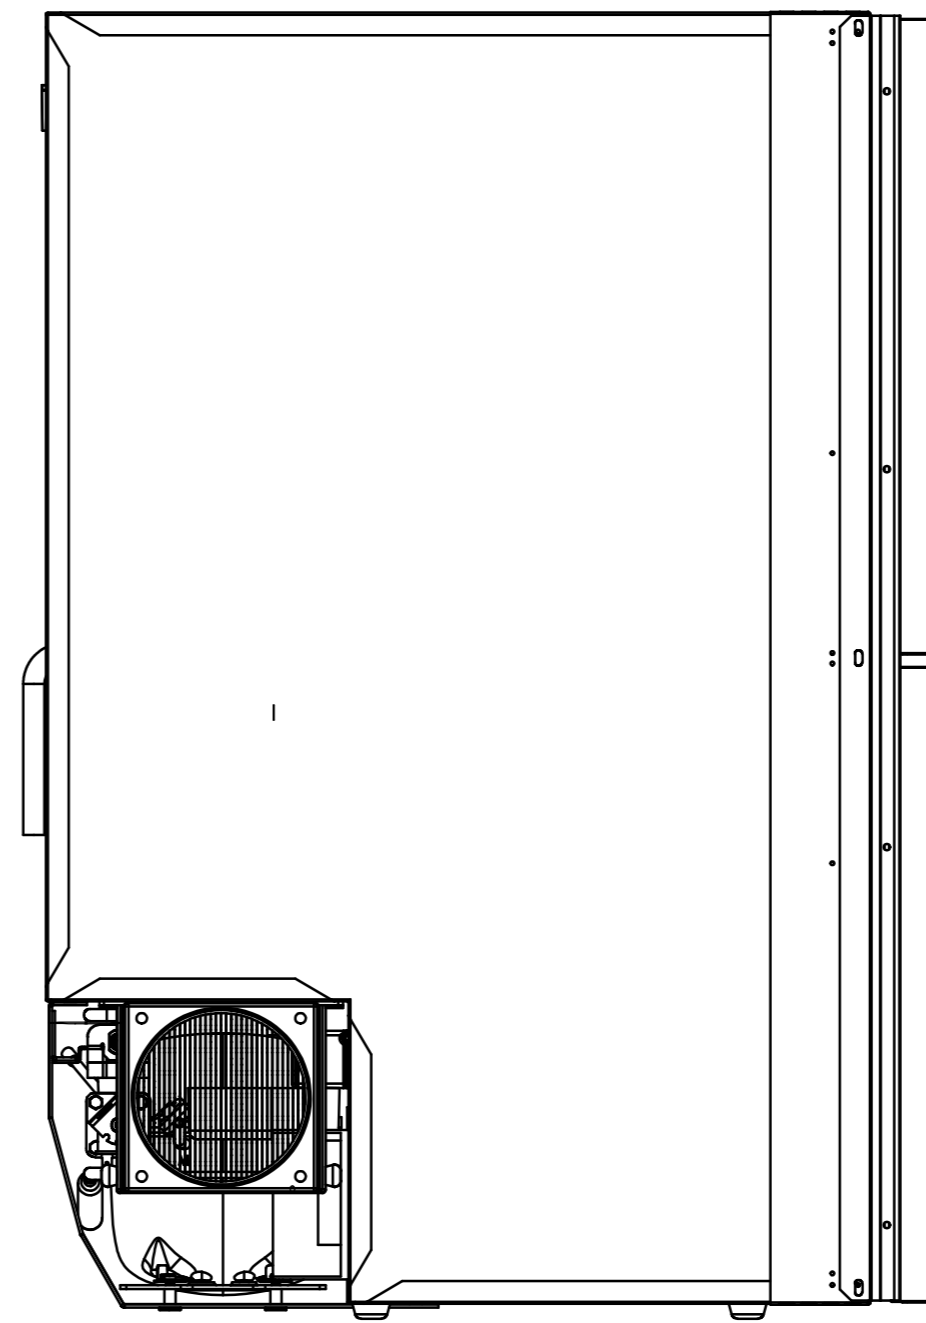

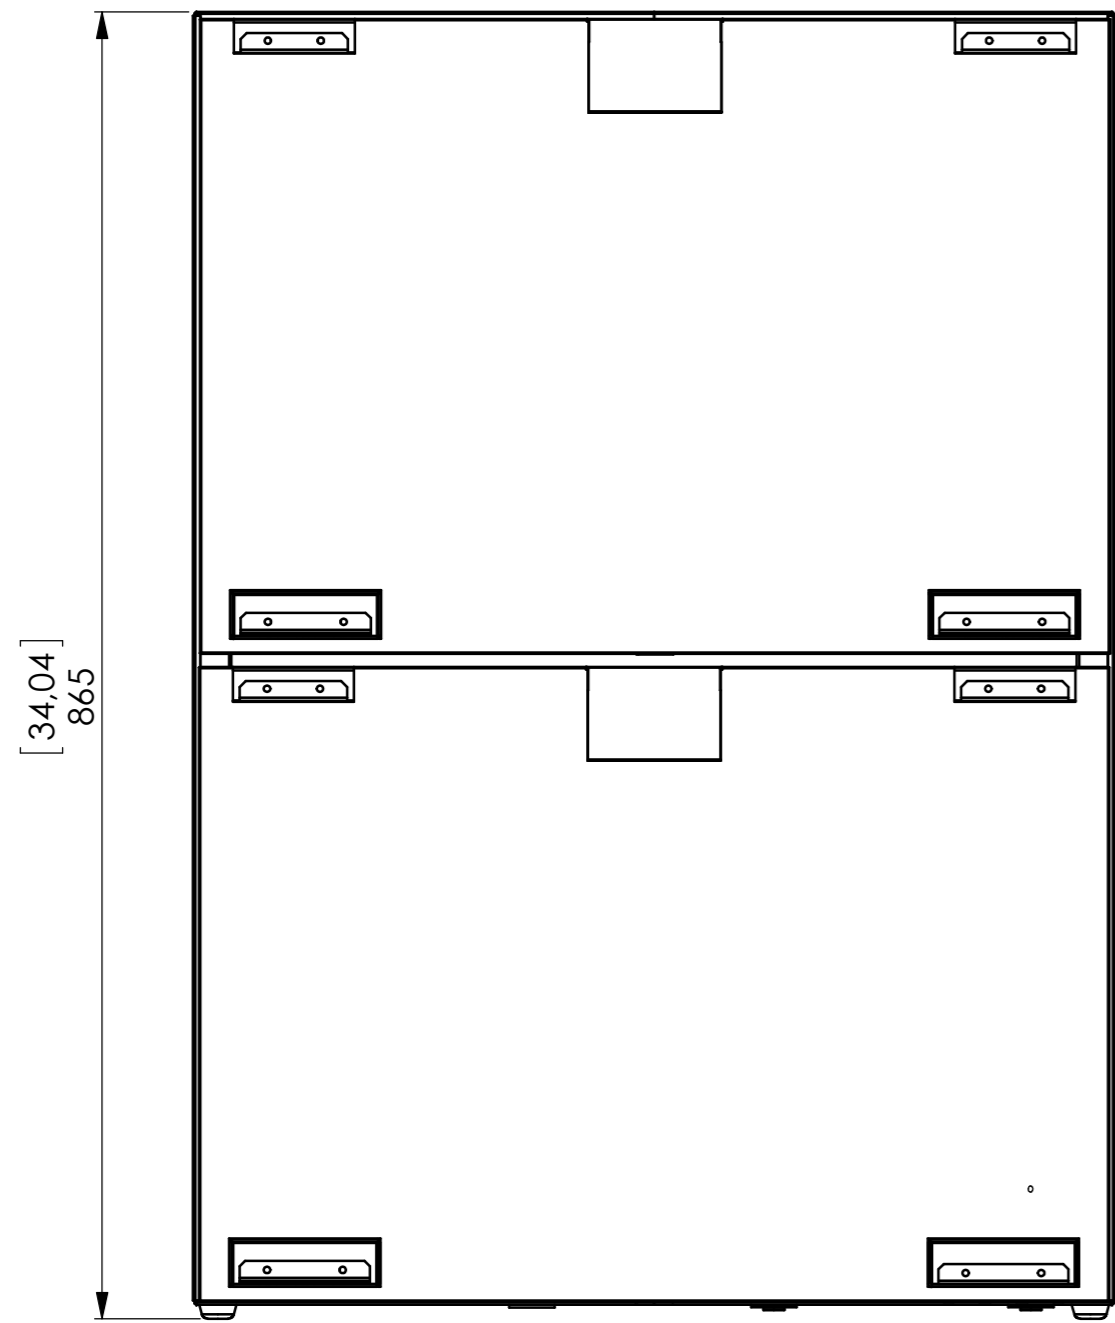

Following are part numbers and descriptions:

- 3049BA7P00015** Drawer 49 - Refrigerator and Freezer - AC/DC with Special Brackets for 3/4 inch wood panel front  
External Dimensions: 20.9h x 15.9w x 20.5d
