

## **Isotherm DRAWER 65 Frost-Free INOX - marine refrigerator only**

The Isotherm Drawer 65 Frost Free Stainless Steel (INOX) marine refrigerator is a 2.3 cubic foot, space-saving, front-opened drawer. With a volume of 65 liters, The DR65 Frost Free features bins and bottle racks to keep supplies secure in rough weather. It combines the most modern technology with automatic defrost allowing home comfort on board. For constant temperature control, an internal fan is mounted. A sequence of 5 LED lights provides blue internal light. The DR65 Frost-Free Refrigerator has no freezer section and is ideal for a side by side installation with the DR 55 Freezer.

All Isotherm marine refrigerator drawer sizes fit common cutouts for conventional door-style refrigerators on boats and provide a convenient and upscale way to store food and beverages. Like all Isotherm products, the Drawer models are backed by the exclusive Isotherm 5-year limited warran-
