## Drawer 30 INOX Stainless Steel: Small DRAWER Fridge

The Drawer 30 Silver is a drawer refrigerator with a user-friendly digital interface. The DR30 can be operated at refrigerator and is rated for Tropical climates. The Silver premium version is provided with AISI 304 stainless steel rails and stainless steel door, painted in silver color. Optional 4-side flange is silver painted stainless steel.

The outer feeling is the highly appreciated Elegance design, provided with the typical product line's features as the internal anchoring mounting solution which allows installation without the flange. Flange is optional.. Equipped with BD 1.4F SeCOP remote-mount compressor, it requires minimum installation space.

The Drawer 30 Black has a galvanized steel black door and flange with the same functions as the Silver model.

### Your Advantages:
