ISOTHERM DRAWER 70 MARINE REFRIGERATOR OR FREEZER (ICE MAKER)

The DR70 Clean Touch Stainless Steel is the premium front-opened drawer solution with a door in stainless steel especially treated to avoid fingerprints. This new material combines a state of the art marine design with easy cleaning and maintenance of the refrigerator. It is provided with a robust drawer mechanism, 5 blue led lights and internal baskets, to provide great comfort in use. The stainless steel flange allows flush mounting in cabinetry. The DR70 features a remote mountable compressor allowing the compressor to be mounted 3 feet from the cabinet.

The Isotherm Drawer 70 is available in three different versions, as fridge (DC), freezer (DC) and freezer with Ice Maker integrated (AC). The three versions of DR70 are also available with CUSTOM PANEL option.

All Isotherm marine refrigerator drawer sizes provide a convenient and up-scale way to store food and beverages. Like all Isotherm products, the Drawer models are backed by the exclusive Isotherm 5-year limited warranty on all compressors and two years on all parts.
